Recognition of Long-Term ASMS Members

Starting in 2013, a series of lapel pins have been given out at the annual conference to recognize long term members of the society, beginning with 25 year members and continuing in 5-year increments. Over 500 of our society's members have been with ASMS for at least 25 years, and 55 individuals have been active members for at least 45 years. We congratulate these members for their service and dedication to the society.
