The 63rd ASMS Conference will be May 31–June 4, 2015 in St. Louis, MO. The participation of the ASMS Corporate Members is an integral part of the conference. We welcome support from past Corporate Members as well as the involvement of new members for one of the most dynamic scientific conferences in the world. We expect an attendance of 6,500 scientists and 3,000 presentations as talks and posters. The poster/exhibit hall will feature over 750 different posters each day and 180 exhibit booths, providing a broad array of science and technology.

The Grand Opening and Welcome Reception will be 7:45 – 9:00 pm in the poster-exhibit hall following the plenary lecture. Monday through Thursday will be full program days of concurrent oral sessions, poster sessions, and workshops – all conducted in the America’s Center Convention Complex.

POSTER/EXHIBIT HALL. The poster/exhibit hall in the America’s Center Convention Complex will house the scientific posters as well as the exhibit booths and the Apps & Technology Spotlight. The poster sessions will be continuous four-hour blocks, 10:30 am – 2:30 pm (Monday through Thursday) to maximize time available for viewing posters and exhibits. The poster-exhibit hall is the core of the conference where the Welcome Reception, poster session break refreshments, free WiFi and employment center will be located.

CLOSING EVENT. The conference will conclude with a closing event at City Museum. Located within walking distance of the convention center we anticipate a high attendance for this year's event. All attendees and exhibitors are encouraged to attend. Tickets are required and may be purchased with regular conference registration.
