Q&A module

- Only attendees can ask questions.
- Only Panelists and Co-Host see all questions.
- Everyone sees questions that have been answered.

Options for answering question:

Answer live - if you want to answer the question orally.
Type answer - if you want to answer the question by text. There is a button to answer privately if you do not want everyone to see the question.
Dismiss - to remove question.
The Q&A module is large so you’ll want to have a co-host who is not sharing to monitor the Q&A module.
