

Pre-ASMS Asilomar Conference Workshop hosted by the Imaging Mass Spectrometry Society

Advanced Analysis of Imaging Mass Spectrometry Data

Asilomar guest room lodging within ASMS Asilomar Conference room block is available to book beginning Thursday, October 10 for those interested in participating in this special pre-conference workshop. Asilomar reservation info here: <https://www.asms.org/conferences/asilomar-conference/lodging-at-asilomar>

To register for the special pre-conference workshop cost is \$100 payable through IMSS website at <https://www.imagingmssociety.org/>

Friday, October 11, 2019

9-9:10 am, **Introduction/Program Overview**

9:10-10:25 am, **METASPACE: platform for metabolite annotation of imaging mass spectrometry data**

10:25-10:45 am: Break

10:45 am-Noon, **MSiReader: open source Matlab GUI and function library for visualization and analysis of Mass Spectrometry Imaging data sets**

Noon-1:15 pm: If lodging at Asilomar lunch is included, otherwise lunch on your own

1:15-2:30 pm, **Cardinal MSI: a mass spectrometry imaging toolbox for statistical analysis**

2:30-2:45 pm: Break

2:45-4:00 pm, **SCiLS: Interpretation of MALDI imaging mass spectrometry data**
