

FISCAL PROPOSAL including support for a visit to another professor’s laboratory.

The fiscal proposal below covers a two week visit to the laboratory of Professor X at University of Y, registration, and attendance to the Research Conference on LMN and registration fee to virtually attend a workshop on Biostatistics in R offered through the Collegiate Statistics Society. Budgets for flights and accommodation are based on rates as of November 202X. Any expenses incurred beyond the Postdoctoral Career Development Award will be covered by my current professor’s funds.

<u>Amount</u>	<u>Activity</u>	<u>Short Description</u>
\$2165	Visit to Prof X’s lab	Round trip flights to City X from City Y (\$450). Two weeks lodging in City X (approximately \$122/night including fees and tax).
\$1935	Research Conference on LMN	Roundtrip flights to City B from City A (\$450). Conference registration fee (\$1485, includes registration and lodging).
\$900	Statistics Workshop	Registration fee (\$900) for virtual Statistics workshop offered through the Collegiate Statistics Society.

\$5000 Total
