### Conferences

2019 ASMS Annual Conference ✓

Place: Georgia World Congress Center, Atlanta, GA  
Date: 06/01/2019 - 06/06/2019

### Payment Receipts

Type	Date	Total
2019 ASMS Annual Conference Member Registration	02/14/2019	\$ 0
2019 ASMS Annual Conference Member Registration	01/26/2019	\$ 0
2019 ASMS Annual Conference Member Registration	01/26/2019	\$ 0
Closing Event Conference Registrant: Georgia Aquarium, Thurs, June 6	01/26/2019	\$ 0
Closing Event Conference Registrant: Georgia Aquarium, Thurs, June 6	01/26/2019	\$ 0

3. You will see ✓ at top indicating that you are already registered for the conference and below you will see all the items that you can “Buy” (Short Courses followed by Closing Event, Companion Badge, and Companion Closing Event). Click “Buy” for any items you wish to purchase and then “View Cart” to proceed to check out.

2019 ASMS Annual Conference

Registration Fee: \$ 200  
Location: Georgia World Congress Center, Atlanta, GA  
Date: 06/01/2019 - 06/06/2019  
Registration deadline is **April 30**. After **May 1**, fees increase by \$50.

### Two-Day Short Courses

Saturday & Sunday, June 1 & 2  
Limit of one course

01 Bioinformatics for Protein Identification	\$ 400	Buy
02 Clinical Diagnostics: Translational Mass Spectrometry; LC-MS/MS Assay Development and Validation for use in Clinical Diagnostic Testing	\$ 400	Buy
03 DMPK: Experimentation and Data Interpretation	\$ 506	Buy
04 Glycans and Glycoproteins in Mass Spectrometry	\$ 400	Buy
05 High Resolution Mass Spectrometry for Qualitative and Quantitative Analysis: An Introduction	\$ 400	Buy
06 Understanding, Optimizing and Applying LC/MS/MS Techniques using Electrospray, AP/CI and APPI to Develop Successful Methods	\$ 400	Buy
07 LC/MS: Advanced Techniques and Applications	\$ 400	Buy
08 LC-MS: Practical Maintenance and Troubleshooting	\$ 400	Buy
09 Native Mass Spectrometry	\$ 400	Buy
10 Peptides and Proteins in Mass Spectrometry	\$ 400	Buy
11 Protein Structural Analysis by Mass Spectrometry: Hydrogen Exchange and Covalent Labeling	\$ 477	Buy
12 Protein Therapeutics: Practical Characterization and Quantification by Mass Spectrometry	\$ 400	Buy
13 Quantitative MS	\$ 400	Buy
14 Case Studies in Quantitative Proteomics	\$ 400	Buy
15 Untargeted Metabolomics: From Basic Methods to Advanced Workflows and Isotope Labeling	\$ 400	Buy

### One-Day Short Courses

Sunday, June 2  
Limit of one course

17 Introduction to GLP Regulations and Bioanalytical Method Validation by LC-MS/MS	\$ 300	Buy
18 Ion Mobility Mass Spectrometry: An Introduction to Instrumentation, Applications, and Data Analysis	\$ 300	Buy
19 Advanced Metabolomics: Bioinformatics, Activity, and Systems Biology	\$ 300	Buy

### Additional Items: Closing Event Tickets and Companion/Spouse Badge

Closing Event is \$40 per conference registrant. Closing Event for spouse closing event.

Closing Event Conference Registrant: Georgia Aquarium, Thursday, June 6, 2019	\$ 40	Buy
Companion/Spouse Badge	\$ 10	Buy
Closing Event Companion/Spouse: Georgia Aquarium, Thursday, June 6, 2019	\$ 40	Buy

Note the Companion closing event (\$40) is only available AFTER you purchase the Companion Badge (\$10)
