SMALL CONFERENCE SPONSORSHIP OPPORTUNITIES

ASMS hosts three small conferences each year: Asilomar Conference (October), Fall Workshop (November), and Sanibel Conference (January). They range in size from 75 – 150 participants. Each small meeting is highly focused on a single topic and highly interactive. Corporate members are invited to support a one, or multiple, small meetings.

Because the duration and setting vary there are unique sponsorship opportunities for each meeting. To learn more about a specific conference program, please visit www.asms.org/conferences.

TO SIGN-UP, please complete the form with desired sponsorship(s) clearly marked. This form may be re-used should your company wish to pay for multiple conference sponsorships at different time. Suggested deadlines are noted below. **Please note: There is no conference registration included with any of the sponsorships. If a company representative attends, they must be registered for the meeting. If there will be no company representative at the meeting, arrangements can be made with the ASMS office to receive and display your materials.**
