

Exhibit Booth Walls

All pipe-and-drape exhibit booth back walls and side dividers will be 8' in height. 10' x 10' booths will have two open sides.

Examples of 10'x10', 10'x20', and 20'x20' booths shown below.

— — — — Blue dashed line = open side

— Solid red line = 8-ft tall back wall or side divider
