FALL WORKSHOP SPONSORSHIP

ASMS hosts three small conferences each year: Asilomar Conference (October), Fall Workshop (November), and Winter Conference (January). They range in size from 75 – 150 participants. Each small meeting is highly focused on a single topic and highly interactive. Corporate members are invited to support a one, or multiple, small meetings.

Because the duration and setting vary there are unique sponsorship opportunities for each meeting. To learn more about a specific conference program, please visit www.asms.org/conferences, then select Asilomar Conference, Fall Workshop, or Winter Conference.

Please note: There is **no** conference registration included with any of the sponsorships. If a company representative attends, they must be registered for the meeting. If there will be no company representative at the meeting, arrangements can be made with the ASMS office to receive and display your materials.

2023 FALL WORKSHOP ON NATIVE MASS SPECTROMETRY

November 18 – 19, 2024

Reception Sponsor, \$1,500. Monday evening there is an informal reception following a full-day session. This sponsorship is open to multiple companies. **Sponsors receive** logo on walk-in slides and space on a communal table to display up to three pieces of literature.

YES, my company wishes to sponsor the Fall Workshop reception, \$1,500.
