

# American Society for Mass Spectrometry

## Travel Grant Application

### 1st International Mass Spectrometry School

September 15 -20, 2013, Sienna Italy

ASMS is providing travel support for up to three graduate students or post-doctoral fellows to attend the 1<sup>st</sup> International Mass Spectrometry School in Siena, Italy, Sept. 15-20, 2013. (<http://www.imss2013.it>) Applicant must be a 2013 member of ASMS and must be from a North American Institution (U.S. or Canada). Travel expenses of up to \$1500 will be reimbursed by ASMS. Reimbursement of expenses (e.g., registration, accommodation fees, airfare, etc.) will be made upon submission of an ASMS expense claim form provided to the traveler that includes appropriate original receipts.

Complete the application below and email this form along with letter from the Research Advisor to [office@asms.org](mailto:office@asms.org). This application and statement from the research advisor must be sent together for receipt by **August 16**. The first three qualified applications will be selected. No late or incomplete applications will be considered.
